PROFILE

Front End Developer with a passion for creating responsive and user-friendly websites.Proven track record in improving website traffic, performance, and functionality through the implementation of front-end coding standards and troubleshooting.

PROJECTS

College Website   2024

I have built a website for my department utilizing Bootstrap and Tailwind CSS. You can access it at http://hit.edu.in/it/.

College Management System   2023

I have created a real-time application for my college department to manage student data, including attendance, grades, and leave records.
It was created using Bootstrap,PHP,MY SQL, mailerAPI

Portfolio Website   2023

Developed a personal portfolio website showcasing projects, skills, and resume by utilizing HTML, CSS, JavaScript, and React to create an engaging user experience. Check it out at: https://smdhafis.netlify.app
